Re: John D. Dingell for Congress Committee
FEC Identification # C00002600

Dear Ms. Sheppard:

This letter is in response to your letter concerning the Year End Report (11/24/98-12/31/98) of the above referenced Committee.

On December 14, 1998, the Committee received a PAC contribution designated by the donor for the 1998 General Election. Since the Committee did not have any debt for the 1998 General Election, it could not accept the contribution as designated. The Committee immediately sent the donor a letter explaining the situation and seeking a redesignation. As required, the Committee reported the contribution on its Year-End report with a note indicating that a redesignation had been requested.

On February 8, 1999, the Committee received the donor's request that the contribution be redesignated to the 2000 Primary Election. The redesignation was received within the permissible sixty days after receipt of the contribution. The redesignation will be shown on the Committee's July 31 Mid-Year Report.

If you have any further questions, please do not hesitate to contact us.

Very truly yours,

Judith L. Corley
Counsel to John D. Dingell for Congress
Committee
